This week's newsletter focuses on all things Nature. The children have immersed themselves in their learning this week; from making saltdough mini-beasts, art in nature inspired by Andy Goldsworthy or using your donated household waste to make bird feeders, planters and fat balls for our local wildlife and birds to benefit from - true examples of showing our value of **KINDNESS** in action.

Thank you to all of you that came along to our **Big Bug Ball** this afternoon - we hope you enjoyed the fun as much as the children did! We were all so proud of their performance.

The PTFA shared some exciting news last week regarding our Summer Festival - there are lots of plans in fruition and we are delighted that Jacqueline's Gems have confirmed that they are on board to sponsor and support the event. Take a look at our final page of the newsletter to see how you can assist. In addition, they are always looking for volunteers to help run the event! Please get in touch with them.

Have a wonderful weekend.
Miss Ingrams and the Lime Wood Primary team.

Welcome

Welcome to Mrs Gregory who has joined Lime Wood Primary as our SEN (Special Educational Needs) Admin Support for one day a week. You may receive communication from her in the future as she supports our school and families in all things Inclusion.

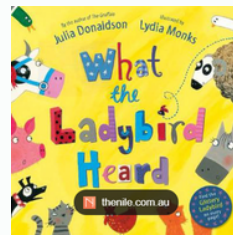

WE LOVE LEARNING ANDY GOLDSWORTHY ART IN NATURE

Andy Goldsworthy is an English sculptor, artist, photographer and environmentalist.

The children have been creating their own Goldsworthy inspired transient art using nature as well as their digital skills to snap their creations!

The children have thoroughly enjoyed their core text; 'What the Ladybird Heard', this week. They explored their creativity by mixing and making salt dough and then creating Ladybird shapes which were; cooked in the oven, cooled down, all ready for decorating!

VALUES IN ACTION

Our value of Kindness has been demonstrated this week as children have been considering how we can look after our environment and local wildlife in recognition of World Earth Day.

COMMUNITY

EARTH DAY

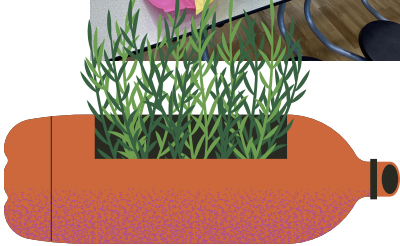

SCHOOLS WASTE ACTION CLUB NATURE NURTURERS

Lizzie from SWAC returned to run a Nature Nurturers workshop for our children. They made bird feeders, fat balls and planters out of recycled materials donated by you!

They planted seeds in their planters - we cannot wait to see them grow!

The bird feeders will be placed in our outside learning environments. We hope to see lots of birds visiting!

PTFA

Robinson Jackson have kindly offered to support our event by providing boards to go outside your homes sharing details of the event which is fantastic!

Can you support us by offering a space for a board to go up outside your home? If so, please let us know by emailing us directly or alternatively, a slip will come out in your book bag too which can be handed to the school office.

PTFA can be contacted via email: ptfalwp@gmail.com
