

100th

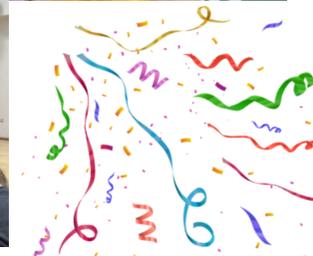

A little look back over the last 100 newsletters!

THANK YOU to everyone that very kindly donated fruit this week - we really appreciate your support.

CURIOSITY

Dear Parents, Carers & Families,

Welcome to the 100th edition of our school newsletter. If you haven't already, do take a moment to look at the front cover, which celebrates the past two and a half years through a collection of photographs capturing some of the many experiences our children have enjoyed. This week has been full of exciting learning opportunities across the school. Our chicks have grown rapidly, and the children were delighted to visit them once again before they leave us today. Watching them develop has been a wonderful hands-on experience for the children and has sparked curiosity, care and plenty of thoughtful questions.

It has also been Science Week, and one of the highlights was welcoming Dr Clarke, who generously volunteered his time to speak with the children about air resistance. The children had great fun experimenting with paper aeroplanes and rocket boosters, exploring scientific ideas through practical investigation and discovery. Thank you to Miss Whitaker for organising Science Week.

Alongside these enriching experiences, it has also been assessment week. Teachers have been carefully reviewing the children's learning, and their assessments will be shared with you as part of the end-of-term reports, which will be sent home on 30th March.

Finally, we were delighted to welcome our local fire brigade to school today. All children had the opportunity to meet the firefighters, explore the fire engine and learn more about the important role they play in keeping our community safe. It was a fantastic opportunity for the children to engage with real-life roles within our local community.

Thank you, as always, for your continued support.

Miss Ingrams and the Lime Wood Primary team

SIGN OF THE WEEK

Summer

SCIENCE WEEK

Science Week provided a wonderful opportunity for children to develop their curiosity, creativity and confidence in exploring scientific ideas. It was fantastic to see such enthusiasm for discovery across the school. 🚀

SAYING GOODBYE TO LIMWOOD CHICKS

This week, the children had a wonderful time caring for our fluffy chicks and learning all about their needs. It was a bittersweet moment as we said goodbye, but the children loved every minute of watching them grow and enjoyed giving them lots of cuddles before they went to their new homes.

ERITH FIRE STATION VISIT

We were thrilled to welcome the local fire station team to our school today! The children loved exploring the fire engine, learning about firefighting equipment, and hearing all about fire safety.

Beatriz,
Damisola**

SAFEGUARDING

Road Safety Reminder

As part of our ongoing commitment to keeping all children safe, we would like to remind families about the importance of road safety when travelling to and from school. Please ensure that children are supervised where appropriate, use designated crossing points and remain aware of traffic, particularly during busy drop-off and collection times.

If you are driving to school, we kindly ask that you park considerately and avoid stopping on zig-zag lines or blocking driveways, helping to keep the area around the school safe for everyone. Encouraging children to develop safe habits around roads is an important part of helping them stay safe within our community.

Thank you for your continued support in helping us maintain a safe environment for all our pupils and families. 🚦

ATTENDANCE

W/c 09.03.2026

We strive for 96%+ attendance for all our children

Hundred Acre Wood
96%
Neverwood Forest
95%

Faraway Tree
91%
Baobab Tree
98%

Do something funny for money!

20th March 2026
Lime Wood Primary School

London South East Children's University March 2026 Challenges

Each year, on the 17th March, St Patrick – the patron saint of Ireland – is celebrated in lots of different ways across the country and beyond! This special day is the focus for our challenges this month.

You can choose to complete as many of these challenges as you wish – simply email your evidence (a photo is absolutely fine!) to Louise at Bexley.CU@Bexley.gov.uk and she will send you your stamp code!

<p>"Shamrock" acrostic poem</p> <p>The Shamrock is a symbol used across Ireland to explain the Holy Trinity of Christianity, which is God the Father, God the Son and God the Holy Spirit. For this challenge, I would like you to create an acrostic poem, using the word "Shamrock" and filling the poem with words or sentences about Ireland or St Patrick's Day!</p> 	<p>St Patrick's Day wordsearch</p> <p>For this challenge, I would like you to create a wordsearch with at least 10 different words linking to Ireland or St Patrick's Day.</p> 
<p>The story of St Patrick storybook</p> <p>With each patron saint, there is a story about how they came to be so important. For this challenge I would like you to find out the story of St Patrick and create a story book telling the story!</p>	<p>Shamrock mosaic</p> <p>For this challenge, I would like you to create a shamrock mosaic, using whatever green items you can find and presented in the shape of a shamrock.</p> <p>It can be as small or large as you would like!</p>
