This week has been a particularly busy and joyful one across the school. Our Year 2 class assemblies have been an absolute triumph, and it has been a pleasure to see the children growing so confidently in their oracy and presentation skills. They spoke clearly, performed proudly, and shared their learning with real enthusiasm – especially their fascinating work on dragons and castles. Well done to all of the children and staff involved.

We have also thoroughly enjoyed celebrating **Number Day** today which has been another great success. A huge thank you goes to Miss Willard for her hard work and organisation in her role as Maths Lead, ensuring that the day was engaging, fun, and full of meaningful mathematical learning for everyone.

Thanks also go to Mr Benham for his continued work with our **Children's Champions**. Alongside Mrs Holdsworth, they had the lovely task of judging the recent Kindness Poster Competition. Thank you to all the children who took part – the creativity and thoughtful messages were wonderful to see. All winning posters will be copied and displayed around the school for everyone to enjoy and be inspired by.

We were also delighted to host our **Talking Café** with Bexley Age UK as a precursor to Valentine's Day. The children took part in heart-filled arts and crafts activities, with a continued focus on developing their oracy skills through conversation, collaboration, and shared creativity. It was a truly lovely event and a reminder of the importance of connection and communication.

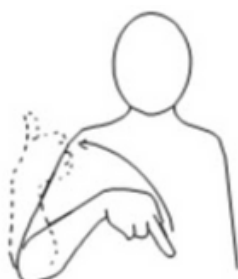

A final reminder that Monday is **Bedtime Story Day**, as part of our celebration of the Year of Reading. Children are invited to come to school wearing their pyjamas, but please remember to wrap up warm and bring coats suitable for the weather. Parents and carers are very welcome to join us for our family showcase at 9:00am on Monday – we look forward to seeing you there.

Thank you, as always, for your continued support.
Warm regards,

Miss Ingrams and the Lime Wood Primary team
