This week's core text in Reception has been 'The World around Me' by Charlotte Guillain. The book took the children on a journey of discovery around the world - clambering through mountains, trekking through jungles and sailing across the seas. The children spotted a diverse range of wildlife, amazing cities and experienced a wide range of cultures. They also explored landmarks! We were overwhelmed with the response from you, our families, in providing photos and information about landmarks that are special to you and your children - thank you. During assembly today, we spoke about **World Wildlife Day** which is on 3rd March. We explored different habitats and animals that can be found in these environments. Ask your children which countries and landmarks they have explored over the course of

- you can also take a look at the book...

Some of them include:

- Warsaw Mermaid - Poland
- Zuma Rock - Nigeria
- London Eye - England
- Szechenyi Chain Bridge - Budapest
- Leaning Tower of Pisa - Italy
- De Luci Fish Roundabout - Erith, England
- Bran Castle - Romania
- Gediminas Tower - Lithuania
- Eiffel Tower - France
- Ceremonial Taino - Puerto Rico
- Axum Northern Stelae Park - Ethiopia

**Early Writing Workshop**

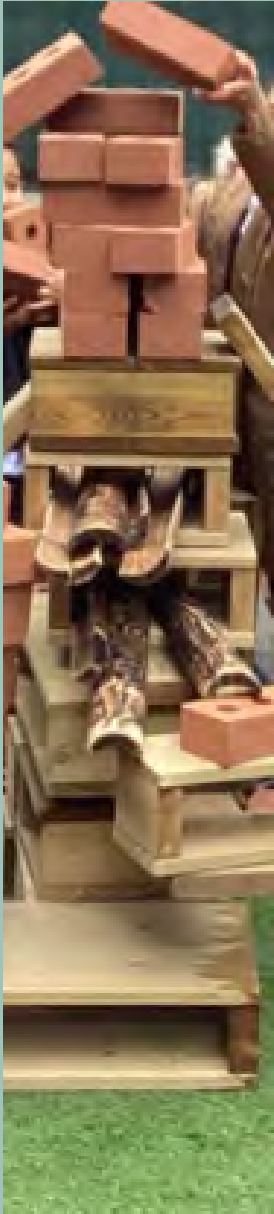

Thank you to those who were able to attend our Early Writing workshop, we hope you found it informative. A full copy of the presentation can be found on our website.

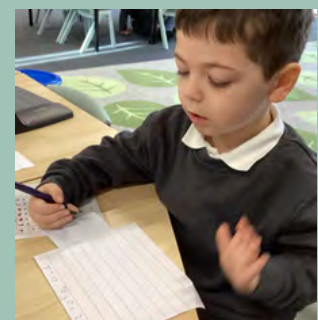

# WE LOVE LEARNING ALL AROUND THE WORLD

The children have explored the world around us through creating structures with junk modelling, loose parts art, large and small construction shapes! They have recreated so many different landmarks that have links to their families. The children have also been writing labels and sentences about their chosen landmarks! A special book has been created displaying all of the children's learning and our atrium proudly displays their creations.

# VALUES IN ACTION

## Respect

This week we have been impressed with the children showing respect for each other during their learning about landmarks around the world linked to each of their own cultures, country of birth and places that are special to them.
