I cannot believe that this is our final message to you this year as we have come to the end of an amazing, jam-packed, fun-filled first term at Lime Wood Primary School. I have reflected over everything that has been achieved during the past 12 weeks and to say I, as well as the whole staff team, are proud, is an understatement.

When I look back at the very first week and all of the new routines and systems that the children (and parents/carers) were introduced to and how fantastic they have been at instilling these into their new knowledge and understanding over the whole of this term, it truly is testament to how much each and every child enjoys their learning and the anticipation of new learning that comes.

We have achieved so much, as a school community, and that includes you! From parent workshops, to arts and crafts, to Big Bang Days and external visitors and not forgetting over first school trip last week - THANK YOU all for your support, it really has been very much appreciated.

This week has contributed to the feelings of joy and pride with the children's two Christmas performances - they were absolutely fantastic in the way that they conducted themselves throughout and the sense of teamwork and collaboration was wonderful to observe.

We have a great deal planned for the new term - more workshops, more crafts sessions as well as visits to enhance the children's learning. We will also be introducing some new initiatives such as; Children's University, lunchtime clubs and a weekly celebration assembly for the children to come together and celebrate their weekly achievements.

Wishing you all a wonderful festive break and we all look forward to seeing you in 2024!

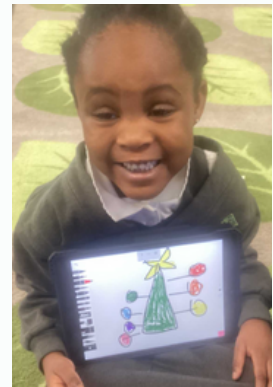

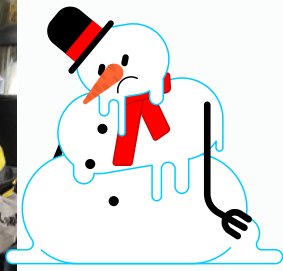

Have a wonderful weekend,

Miss Ingrams and the Lime Wood Primary team.

VALUES IN ACTION

Kindness - Adults have seen how well the children are remembering to be kind by saying Please and Thank you when they collect their school lunch.

Teamwork - Great teamwork from children as they have been rehearsing for their nativity culminating in two amazing performances - well done!

Respect - Children respected each other during the performances by not interrupting their friends turn - well done!

Curiosity - Children have been asking fantastic questions when exploring what happens when ice melts!

Pride - The staff team really are very proud of all of the children for the way that they have embraced Reception and their learning over the course of their very first term at school!
