A huge thank you to everyone that attended our opening event which was also a fantastic chance for our children to perform their Rainbow poem - their very first performance! We have all been immensely PROUD of the way that the children have prepared for their roles in the performance - not only did they perform for families but they also repeated this for a group of external visitors who attended to celebrate our opening also. Everybody commented on how well the children performed, a true credit to our school! I must also take a moment to thank our school staff team for their part to play in supporting and preparing the children.

We were also delighted to share our new promotional video with you - thank you to all of you who have fed back positive thoughts. The video has been posted to our website and can be watched by scanning the QR code here.

Thank you to all of the children that have been participating in the sponsored read , we have started to receive some monies, again thank you. Please be reminded deadline is 24th November, 2023.

Have a wonderful weekend,

Miss Ingrams and the Lime Wood Primary team.

# WE LOVE LEARNING

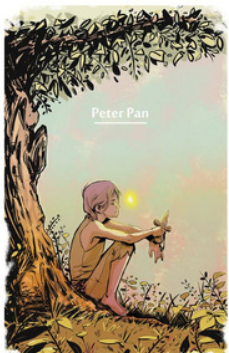

## Friendship Week & Positive Noticing Day

We all had a great time positively noticing each other demonstrating one of our core values of KINDNESS.

The children have been showing great **CURIOSITY** when exploring our new resources this week.

They particularly enjoyed exploring the light box which helped them to recreate their own Kandinsky inspired designs using a range of shapes that they have been focusing on in their Maths Learning.

Thank you for all of your donations, so far we have raised £57.

The children and staff had a great time dancing together in aid of Children in Need.

# VALUES IN ACTION

**Kindness** - Positive Noticing Day was fabulous with everyone working together to share positive words with each other, recognised with a little brown label!

**Teamwork** - The children excelled themselves, working together as a team to perform their Rainbow Poem.

**Respect** - We have had some new classroom resources which the children have started to explore and shown great care and respect for.

**Curiosity** - The children have enjoyed exploring our new resources - Beebots & Light Box - to enhance their learning.

**Pride** - Everyone was so PROUD of the children as they performed together for the first time in front of an audience! Well done!

# SAFEGUARDING

Bexley FLARE, a Parent Champion Network, is a group of parents and members of the community who started to come together in 2020. The group exists to provide training, peer support and mentoring opportunities and signposting to parents in the borough. The group can offer advice in accessing services, and shares useful information, and has for example supported others to access advice on housing, counselling, parenting, and to support one another in the challenges of caring for children and young people with additional needs.

The group is facilitated by Bexley S.H.I.E.L.D. and Bexley Moorings – the group can be contacted as follows:

## Celebrating our opening!

*thank you*

## Christmas Post

We have had some queries about Christmas cards between children. If your child would like to send their friends a card, please can they be posted in the school Christmas postbox which will be appearing in the visitor lobby from **4th December, 2023**.

Support our local community by parking with care. Please use the school car park for morning drop off and afternoon collection to support our local residents.
