What a fantastic first term! A BIG thank you to our children, families and staff for working together to ensure such a great start to our wonderful school. We really cannot wait to see what next term brings us!

This term has certainly been jam-packed with a number of visitors coming to meet the children, a parent workshop and parent/family learning fun. The children have made the transition to Reception and we are all so very proud of their accomplishments over the past six weeks. We have explored a number of great texts to complement their topic 'All About Me' and we have been pleased with the progress that they have made in their phonics learning already.

It has been a pleasure to get to know everyone and I look forward to our continued development as a school community as we look forwards to next term.

Exciting News - Launching our Houses

Each member of our school community will be placed in one of the chosen houses after half term.

Wishing everyone a happy and healthy half term break.

Miss Ingrams and the Lime Wood Primary team.

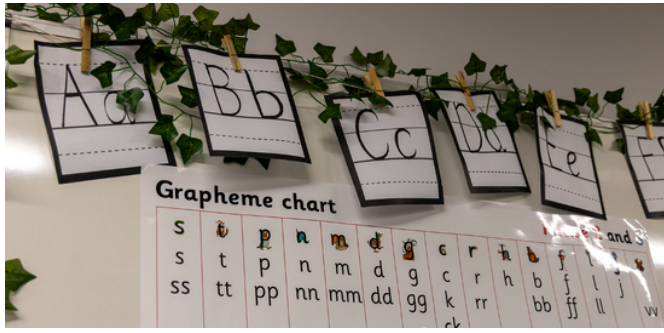

WE LOVE LEARNING

Phonics & Reading

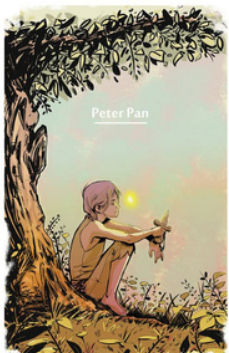

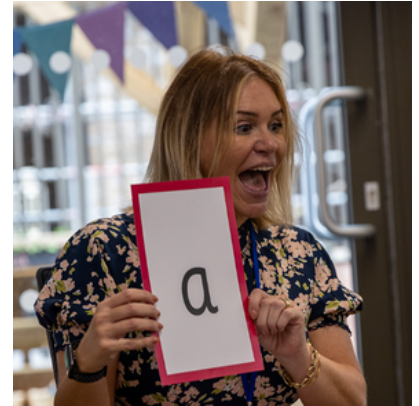

We follow the Little Wandle Letters and Sounds programme.

Take a look at our school website for more information.

Take a look at the Little Wandle website too - they have a great parents section that includes helpful pronunciation videos as well as nursery rhymes.

VALUES IN ACTION

Kindness - Miss Ingrams has been delighted with the way that the children have remembered the school rules - ask them at home what they are! This means that they are great at demonstrating kindness and respect to each other.

Teamwork - We all feel that the school community has become a team with the children working collaboratively together so well.

Respect - Miss Ingrams loves greeting the children every day and the relationships that have been built over the past 6 weeks!

Curiosity - As the children's confidence has grown, they are increasingly asking more questions to find out more about their own interests. Well done!

Pride - The whole staff team are incredibly PROUD of all of the children, all that they have achieved over the first half term is just fantastic.

SAFEGUARDING

Attendance & Punctuality

Attendance is one of our priorities as we work with our families to develop good habits for attendance and punctuality. Thank you to everyone for your support this half term. Please take a look at our escalation process which can also be found on our website.

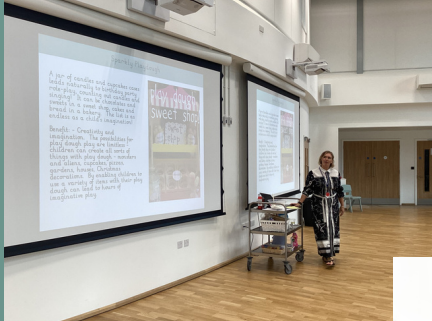

Escalation Process – minimum expectations

COMMUNITY

Thank you to everyone that came to our Playdough Party last week - what a great time was had by all. Some of your feedback comments were a delight to read!

Volunteering - If you are interested in volunteering, we would love to hear from you! We would welcome any volunteers that would like to help us with tending our allotment, coming to read with the children or supporting with arts and crafts activities (Expressive Arts & Design). Let us know if you would like more information by contacting the school office.

Support our local community by parking with care. Please use the school car park for morning drop off and afternoon collection to support our local residents.

PTFA - Thank you to everyone that has registered interest. Please come along to meet with Miss Ingrams - 30th October, 9am.

Community Art Project update!

Miss Ingrams popped along to Gary Drostle's art studio to deliver the fabrics kindly donated by everyone in the community. It was fascinating to spend time in the studio and see our sculpture on the road to completion!
