

LIME WOOD PRIMARY NEWSLETTER

Dear Parents, Carers & Families,

TEAMWORK

CURIOSITY

RESPECT

PRIDE

KINDNESS

It has been a wonderful week at Lime Wood Primary School - the smell of fresh bread permeated through the school when the children visited the Food Science room to cook their own bread rolls just like in their core text 'The Little Red Hen'. We have been visited by PC Ryan and then this afternoon it has been a joy to see the children thoroughly engaged in their first aid learning. Take a look at the pages overleaf that celebrate these events!

We are all looking forward to you joining us for the Easter Bonnet parade followed by the PTFA's first event in a special Easter Scavenger Hunt - we hope you can join us.

Thank you to all parents and carers that attended our second parents evening this week - it was a pleasure to see you all and share your child's progress with you.

Finally, we hope you can attend Erith Town's event on Saturday - have fun! Have a wonderful weekend.

Miss Ingrams and the Lime Wood Primary team.

EASTER BONNET PARADE

2.45PM - 27TH MARCH 2024
ALL INVITED

Children are invited to create their own easter bonnet designs at home and bring them into school from 25th March in readiness for the parade!
We cannot wait to see their creations and do not forget to label them!

present....

EASTER SCAVENGER HUNT
Featuring a special guest!...

£2 per child, siblings welcome

Follow the clues!

Cake Sale

Family Fun

27th March, 2024 - 3.30 to 4.15pm
Pay on arrival. Email ptfalwp@gmail.com to let us know you will be attending.

WE LOVE LEARNING

The children visited our Food Science room this week and created some fabulous smells which drifted through the school!

Have a go at making your own bread!

The children have enjoyed their core text; 'The Little Red Hen' this week. The theme from the text really relates to our school values of **Teamwork** and **Kindness**.

The Little Red Hen Bread Rolls Recipe Sheet

Ingredients
 1kg white bread flour
 2 sachets of dried yeast
 2 tbsp vegetable oil
 550-600ml water
 Extra flour and oil for dusting and brushing
 Pinch of salt

Equipment
 Large mixing bowl
 Sieve
 Tablespoon
 Teaspoon
 Wooden Spoon
 Cling Film
 Measuring jug
 Scales
 Pastry brush
 Scissors
 Baking tray
 Wire rack

Method

1. Weigh the flour and sieve into the large bowl.
2. Add the salt and dried yeast, spoon in the oil, add the water.
3. Mix the oil and water into the flour with the wooden spoon until the dough is soft but not sticky. If it is too wet, add some more flour.
4. Turn the dough onto a board or a clean work surface.
5. Knead by pulling and rolling the dough backwards and forwards.
6. Keep kneading for 8 to 10 minutes until the dough is smooth and springy.
7. Put back in the mixing bowl and cover with a clean piece of cling film.
8. Leave the dough in a warm place for at least an hour until it has doubled in size and feels spongy. (The cling film allows you and the children to see what is happening!)
9. Tip the dough out on the board and knead for a minute or two.
10. Divide the dough into roll-sized portions and form into tight balls.
11. Bake for 12 to 15 minutes at 200°C.

VALUES IN ACTION

The children have excelled when exploring how to use zoom and to take clear photographs on their Ipads.

STAR OF THE WEEK

Ethan, Sofiya, Tae & Summer
GOLDEN BOOK

ATTENDANCE

We strive for 96%+ attendance for all our children w/c 18.3.24

- Hundred Acre Wood Class 98.6%
- Neverwood Forest Class 94.2%
- Whole school, Year to date: 94.4%

Please speak to us if we can help with any attendance matters. We are here to help.

KEY DATES

- 26th March - Easter Arts and Crafts from 2pm
- 27th March - Easter Bonnet Parade from 2.45pm
PTFA Easter Extravaganza from 3.30pm
- 28th March - Last day of term! Have a wonderful Easter Break!
- 15th April - First day of term - Summer term!

SAFEGUARDING

PC Ryan returned to speak to the children again about **Stranger Danger** and how they can keep themselves safe. The children contributed their thoughts and made some sensible suggestions and comments.

Who are your child's safe adults?
Who can they speak to?

They were all so well behaved and I was so impressed with their questions and answers and at such a young age.

Speak to your child about what they would do if a stranger approached them.

DEVELOPING LIFE SKILLS

Incredibly proud of our children this afternoon as they demonstrated great maturity in their approach to learning key life skills - first aid.

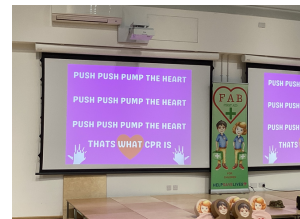

The children learned CPR. Ask them to tell you the rhyme!... "Push, push..."

The children found out how to apply a bandage and what to do if someone chokes or has a nosebleed.

We discussed the emergency services - police, fire, ambulance

The children know they can shout **Help** or call **999**.

NEWS

We entered a competition - take a look at our entry.

Unfortunately, we did not win but the organisers were very impressed with our entry - this is what they said! ***“However, the judges were so impressed with your competition entry, particularly the enthusiasm shown by students and the fantastic range of sustainability actions already being taken that they wanted to feature it in the Let’s Go Zero Climate Action Countdown video coming out next month”.*** Great news!
