What a great end to the Spring term - we have had a wonderful week filled with Easter celebrations! The children have enjoyed their learning this week and as a staff team we have taken some time to reflect on the children's current learning progress. We do this on a full term basis and review each child's next steps so that we can ensure we continue to fill in learning gaps as we head towards their end of year EYFS assessment in June, 2024. Your child's outcome will be shared with you in their end of year report.

Today also officially marks the end of the second third of the year - hasn't it whizzed by?!

Wishing a happy and healthy half term break to all of our families.

Take care.

Miss Ingrams and the Lime Wood Primary team.

We will be celebrating our new topic with our **Big Bang Day** on 16th April - children can come dressed as a minibeast! Parents are then invited to a special **"Big Bug Ball"** assembly on 26th April at 2.30pm. We ask that children bring their costumes back into school to wear during the assembly please.

WE LOVE LEARNING ALL ABOUT EASTER
