Another busy week for us all. This week we welcomed our Chair of Trustees for a visit to the school along with our Director of Education. They were impressed with all of the children’s learning over the course of the year and were particularly proud of the children’s outcomes last week in our work on ‘The World around Me’. This week we also celebrated World Book Day with the teaching staff coming in dressed as well known characters from traditional tales. We thought they looked fantastic! We spent the day sharing stories, visiting the library, making bookmarks and engaging in Literacy based activities which were enjoyed by all. Miss Ingrams and Mrs Holdsworth met with a number of children to ask them questions about Reading - finding out what sorts of stories they enjoy, if they have favourite characters and authors and what helps them to read. The feedback from the children was fantastic! The children have, again, thoroughly enjoyed their core text; The Three Little Pigs which we hope you can see from our learning showcase on page 2!

We also had a visit from a parent LAC governor focusing on all things Attendance and Behaviour - it was great to share the school’s approach and processes and discuss ideas. The visit will be fed back to the LAC team at our next meeting later in the term.

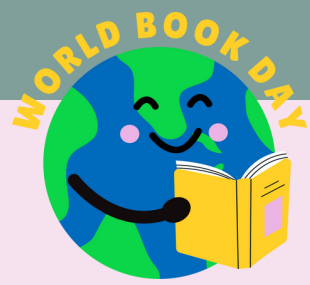

Next week we are delighted to welcome representatives from Showbie for a parent workshop following your feedback from the Showbie survey conducted earlier in the academic year. We will be sharing information about Showbie, offering you an opportunity to ask questions as well as sharing our approach to using Showbie next year when your child/ren are in Year 1. We really hope to see you come along!

In addition, we will be celebrating World Maths Day on Thursday where the children will be introduced to and play a range of mathematical board games. We will also be raising funds for Comic Relief by inviting everyone to wear red on Friday (suggested donation £1).

Continued thanks for your support and have a wonderful weekend.

Miss Ingrams and the Lime Wood Primary team.
