

Curiosity Challenge

Year1 - HT2

Can we save our world?

Go on a “Material Treasure Hunt” around your home and list all of the different everyday materials you find

Watch a short video about our world and make notes

Find an interesting place to read a book and take a photo

Find an Evergreen tree and take a photo with one of the leaves. Take a leaf rubbing.

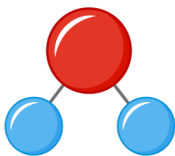

Create a potato or fruit stamp and make your own printed art

Voice record or take a photo of yourself explaining or showing who is in your community and how they care for you.

Create a poster showing Number Bonds to 5 or 10.

Create an ‘Our Planet’ collage piece of artwork using everyday materials

Make a story box of the story of The Nativity
