## FABULOUS AND EXCITING NEWS!

The PTFA has generously donated £1,200 to help fund the new Wellbeing Room at Limewood. This space has been created to support pupils' emotional health and wellbeing, providing a calm, safe environment where children can take time to regulate their emotions, talk through worries, or access additional support when needed. The Wellbeing Room is an important resource that helps pupils feel supported, valued, and ready to re-engage with learning. The PTFA's donation has played a vital role in making this space welcoming and effective, and we are extremely grateful for their continued support.

### 1st April

Something magic is coming. The PTFA are busy planning a very special treat for the children with a magic show at school on 1st April. Tickets will go on sale after February half term – Watch this space.
