*'To deliver a curriculum that is provided by good teachers underpinned by an effective blueprint for excellence in culture, behaviour, attainment and wellbeing – to find the champion in everyone'*

17<sup>th</sup> November, 2023

Dear Parents, Carers and Families,

I would be grateful for your time and consideration when reading this letter.

We have received a further complaint from a local resident who lives on Sandy Road regarding parking.

As you will know I have communicated a request for being considerate when parking previously, as well as a weekly reminder on our newsletter.

The resident in question, has a family member who utilises a wheelchair – there have been a couple of occasions whereby a dropped kerb has been parked either in front of fully or partly meaning that the disabled resident is unable to leave or return home. Obviously, this is a concern for our school as we are keen to be a vital part of our community and do not wish to upset anyone within it.

Please be advised that Andersons have been contacted with regard to how parking will be policed in future to ensure that Sandy Road remains a safe place for everyone.

In addition, please be reminded that the car park is open for parents and carers to use when dropping and collecting each day.

Thank you for your time, consideration and anticipated support.

Yours sincerely,

**Claire Ingrams**
