

# Year 1 Curriculum Overview - Autumn 1

## What can we grow in our allotment?

**Big Bang Day** Tuesday 9<sup>th</sup> September - We will spend the day exploring different traditional tales. We will be planting beans so that we can observe how they grow, and we will write instructions.

### English

This term, children will be revisiting the text *Jim and the Beanstalk* as they explore a range of traditional tales. The children will explore adjectives, describing characters and settings. They will be innovating and writing our own Jack and the Beanstalk story.

### Maths

The children will be focusing on numbers within ten. This includes the place value of the numbers and using them in addition and subtraction.

### Science

The children will focus on Plants and Seasonal Changes. They will explore the different seasons and their features. They will also be learning about the parts of a plant and what conditions plants need to grow.

### Humanities

Our focus is Geography this term. The children will be learning about the United Kingdom and its capital cities. The children will investigate their local area first, then London, and that that moving on to the different countries within the UK.

### Art/D&T

Our focus is Art this term. The children will be learning about different types of paint and how to create colour and tone through mixing. They will explore primary and secondary colours as well as exploring different types of brush strokes through the artists, Mondrian and Kandinsky.

### Music

The children will be learning about controlling sounds through singing and playing instruments, including performing.

### Computing

The children will focus on E-Safety. They will continue to learn the basic functions of an iPad. They will also focus on learning how to take care of digital equipment.

### Religious Education

Our key question is "Who is a Christian and what do they believe?"

### Physical Education

The children will be learning Invasion Games this term. This will help them to continue to develop their awareness of body movements and teamwork.

### Personal Development

In Health & Relationships this term, the children will be learning about who in our community looks after us.
